

NEWS LETTER NO 19

Update 28/9/2013 Sirmione.

Sirmione is one of favourite places in Italy, which we have visited the last 3 years. We stayed in the main Sirmione car park, which has a section for campers with a water and emptying service bay, at 19.80 Euro for 6 hours or 21 Euro for 24 hours

We came to see our friends Catie and Peter, who were staying at a super hotel on the lake side, and had 2 ½ days with them. Before I go any further can we thank them for their hospitality and generosity.

ADVENTURE BEFORE DEMENTIA

We did other things apart from eating and drinking. On Friday we took a ferry to Peschiera, walked north up the lake to Lazise and the ferry back. Thursday was a special day Peter had a trip to Verona for us all and it was great.
