

NEWS LETTER NO 27

Update 19/4/2014 Port Grimaud

We are staying at a camp-site at Port Grimaud, which is in Saint Tropez bay halfway between St Maxime and St Tropez, right on the beach. It's a 5 star site but using our A.C.S.I card it is 18.00 Euro a night instead of the normal 30 Euro.

With Easter being so busy, and we are very happy with this site we have decided to stay here, quietly out of the way till over Easter.

ADVENTURE BEFORE DEMENTIA

Saint Tropez was not quite what we expected, Its very small and quaint with lots of expensive restaurants in small streets. But that's it. We had lunch here.

On the other hand St Maxime is larger with a good busy marina and lots of small shops restaurants, and seats with good views to have lunch on.
